

General Information

Welcome to our Privacy Policy page! When you use our web site services, you trust us with your information. This Privacy Policy is meant to help you understand what data we collect, why we collect it, and what we do with it. When you share information with us, we can make our services even better for you. For instance, we can show you more relevant search results and ads, help you connect with people or to make sharing with others quicker and easier. As you use our services, we want you to be clear how we're using information and the ways in which you can protect your privacy. This is important; we hope you will take time to read it carefully. Remember, you can find controls to manage your information and protect your privacy and security. We've tried to keep it as simple as possible.

Right to Access, Correct and Delete Data and to Object to Data Processing

Our customers have the right to access, correct and delete personal data relating to them. Data Ideas LLC makes every effort to put in place suitable precautions to safeguard the security and privacy of personal data, and to prevent it from being altered, corrupted, destroyed or accessed by unauthorized third parties. However, Data Ideas LLC does not control each and every risk related to the use of the Internet, and therefore warns the Site users of the potential risks involved in the functioning and use of the Internet. The Site may include links to other web sites or other internet sources. As Data Ideas LLC cannot control these web sites and external sources, Data Ideas LLC cannot be held responsible for the provision or display of these web sites and external sources, and may not be held liable for the content, advertising, products, services or any other material available on or from these web sites or external sources.

Management of Personal Data

You can view or edit your personal data online for many of our services. You can also make choices about our collection and use of your data. How you can access or control your personal data will depend on which services you use. You can choose whether you wish to receive promotional communications from our web site by email, SMS, physical mail, and telephone. If you receive promotional email or SMS messages from us and would like to opt out, you can do so by following the directions in that message. You can also make choices about the receipt of promotional email, telephone calls, and postal mail by visiting and signing into that service control panel, which allows you to update contact information, manage contact preferences, and opt out of email subscriptions. These choices do not apply to mandatory service communications that are part of certain web site services.

Information We Collect

Our store collects data to operate effectively and provide you the best experiences with our services. You provide some of this data directly, such as when you create a personal account. We get some of it by recording how you interact with our services by, for example, using technologies like cookies, and receiving error reports. We also use services from other companies to help us determine a location based on your IP address in order to customize certain services to your location. The data we collect depends on the services and features you use.

TL;DR

Unless required by legal subpoena and for credit card details necessary for payment processing, Data

Ideas LLC does not and will not share customer personal data including internet sites accessed, billing information, addresses, passwords, contact details, logs of customer IP addresses, or any other personal information to any third party beyond Data Ideas LLC and the customer.
